Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the City of Washington Regional Emergency Services Hub for Fiscal Year 2027. The entity to receive funding for this project is the City of Washington, located at 95 West Maiden Street, Washington, PA 15301.

The funding will support the acquisition of three properties in the City of Washington, demolition of the existing deteriorated structures, and preparation of the site and utilities necessary for construction of the new facility. This project is a valuable use of taxpayer funds because it will enhance public safety by creating a regional emergency service hub, improving response capabilities, and strengthen mutual aid support for communities throughout Washington County.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,
