Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for Excelsa Health for Fiscal Year 2022.

The entity to receive funding for this project is Excelsa Health located at 532 West Pittsburgh Street, Greensburg, Pennsylvania 15650.

The funding, totaling \$650,000, would be used to acquire an intraoperative C-Arm Fluoroscopy for cancer treatments, which is used during radiology procedures to provide multi-dimensional imaging.

The project is an appropriate use of taxpayer dollars and will allow Excelsa Health, the leading provider of healthcare for Westmoreland County's 340,000 residents, to monitor patient progress and make treatment decisions and adjustments in real time for cancer patients.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

Guy Reschenthaler
Member of Congress
