Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Indiana Regional Medical Center Cardiac Cath Lab Project in Fiscal Year 2027. The entity to receive funding for this project is Indiana Regional Medical Center, located at 835 Hospital Rd, Indiana, PA, 15701. The funding would be used to assist with the procurement of critical medical equipment to enhance patient benefits within a 13,000 square foot Cardiac Catheter lab. The project is an appropriate use of taxpayer funds because it will allow patients to receive care closer to home, improving patients' wellness and health outcomes.

The project has a federal nexus because the funding provided is consistent with purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,
