Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Potato Garden Run Wastewater Treatment Plant Expansion Project for Fiscal Year 2027. The entity to receive funding is Findlay Township Municipal Authority, located at 90 Strouss Rd, Imperial, PA 15126.

The funding will be used for critical upgrades to the Potato Garden Run Wastewater Treatment Plant (WWTP). Since its inception in 2018, the existing facility has operated near its hydraulic capacity of 0.5 MGD, with capacity projected to be reached by 2028. The proposed expansion aims to enhance treatment capacity, incorporate advanced nutrient removal technologies, and ensure compliance with evolving environmental regulations. The project is an appropriate use of taxpayer funds because this strategic investment will support the ongoing residential and commercial growth in Findlay and Robinson Townships, safeguarding public health and fostering local economic development.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,

A handwritten signature in blue ink, appearing to read "Guy Reschenthaler".
