Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the rehabilitation of the Greene County Silveus Building for Fiscal Year 2022.

The entity to receive funding for this project is the Greene County Board of Commissioners located at 93 East High Street, Waynesburg, Pennsylvania, 15370.

The funding, totaling \$1,395,000, would be used to rehabilitate the Silveus Building purchased by the county in 2019 to allow for the expansion of county departments and to create a Greene County Business Incubator.

The project is an appropriate use of taxpayer dollars and will serve as an essential community facility to house Greene County services and diversify the local economy by encouraging growth of small businesses. The incubator will foster the development of early-stage companies and startups by providing workspace, services, and access to industry experts and mentors.

I certify that neither I nor my immediate family has any financial interest in this project.

Very respectfully,

Guy Reschenthaler  
Member of Congress
