The Honorable Rosa L. DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the EMS Workforce Development Project in Fiscal Year 2027. The entity to receive funding for this project is the University of Pittsburgh Medical Center Greene, located at 350 Bonar Avenue, Waynesburg, PA, 15370. The funding would be used for the purchase of equipment necessary to equip and develop an adequate EMS workforce in Greene County. The project is an appropriate use of taxpayer funds because it will revitalize paramedic education through expansion to satellite campuses and modernized training environments with advanced simulation technologies and the addition of two new EMS trucks to increase emergency preparedness.

The project has a federal nexus because the funding provided is consistent with purposes authorized under the Public Health Service Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,
