Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Westmoreland County Department of Public Safety for Fiscal Year 2022.

The entity to receive funding for this project is the Westmoreland County Department of Public Safety located at 911 Public Safety Road, Greensburg, Pennsylvania 15601.

The funding, totaling \$527,783.51, would be used to create “fly-kits,” which are an on-the-go approach for 911 dispatching stations that could be established in any office environment in 20 to 30 minutes by using several laptop workstations, portable protective cases, and mobile cellular solutions to establish all the necessary communication needs of a traditional 911 Center.

The project is an appropriate use of taxpayer dollars and would provide a semi-portable, backup 911 facility capable of setting up in any office environment if the main 911 Center experiences an outage or disaster.

I certify that neither I nor my immediate family have any financial interest in this project.

Very respectfully,

Guy Reschenthaler
Member of Congress
