Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the West Greene Waterline Extension for Fiscal Year 2025. The entity to receive funding for this project is the Greene County Board of Commissioners located at 93 East High Street, Waynesburg, PA 15370.

The funding extends the Southwestern Pennsylvania Water Authority's main water line, approximately 31,000 square feet, to the Jackson Township Municipal Building and ensures that residents and businesses have access to reliable potable water and fire suppression capability. This project also includes 31 fire hydrants, 34 service connections, and 12 (16") gate valves. This project is a valuable use of taxpayer funds because it will provide clean drinking water and fire suppression for rural communities in southwestern Pennsylvania.

This project has a federal nexus because it is for the purposes authorized in section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,

Guy Resenthaler
Member of Congress
