Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Indiana US 422 Bypass Repair for Fiscal Year 2025. The entity to receive funding for this project is the Pennsylvania Department of Transportation Engineering District 10 located at 2550 Oakland Avenue Indiana, PA 15701.

The funding will be used for roadway construction along US 422 and will repair, preserve, protect, and extend the lifecycle cost of the highway. The project is a valuable use of taxpayer funds because it will maximize the lifespan of a highly utilized NHS highway.

The project is eligible under 23 USC 133(b) as amended by title III of division A of the Infrastructure Investment and Jobs Act.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,

Guy Resenthaler
Member of Congress
