Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Water Treatment Plant Improvements for Fiscal Year 2025. The entity to receive funding for this project is the North Fayette County Municipal Authority located at 1634 University Drive, Dunbar, PA 15431.

The funding will provide necessary upgrades to the water treatment plant, located along the Youghiogheny River. This includes the replacement of finished water pumps, switchgear, installation of generators, and a new backwash tank. This project is a valuable use of taxpayer funds because the project will support updating aging infrastructure to provide enhanced water quality, improved reliability, and provide long-term benefits to a rural community.

This project has a federal nexus because it is for the purposes authorized in section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,

Guy Resenthaler
Member of Congress
