Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Carmichaels Library Activity Center Project for Fiscal Year 2024.

The intended recipient is the Greene County Board of Commissioners located at 93 East High Street, Waynesburg, Pennsylvania 15370.

The funding will be used for the construction of a new multi-use public building, including a library, an indoor recreation center, and a community kitchen.

This project is an appropriate use of taxpayer funds because it will construct a new, architecturally significant 37,000 mixed-use public building that will replace a small and antiquated library that is cost-effective and can no longer meet the needs of the community.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,

Guy Resenthaler
Member of Congress
