Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Ginger Hill Sewer Extension Project for Fiscal Year 2024.

The intended recipient is the Carroll Township Authority located at 128 Baird Street, Monongahela Pennsylvania 15063.

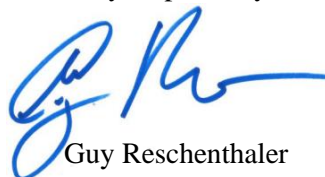

This Clean Water SRF project will provide sewer service to approximately 74 equivalent dwelling units located along Route 136 and Route 917 in Washington County, Pennsylvania. The extension of the public sewer to the Ginger Hill area will eliminate 74 aging and malfunctioning on-lot septic systems, which will reduce the likelihood of untreated or partially treated sewage discharging into the environment.

This is a valuable use of taxpayer dollars because it will help prevent sewage discharge in the local area and extend service to additional communities.

This project has a federal nexus because it is for the purposes authorized in Title VI of the Clean Water Act, 33 U.S.C 1381 et seq.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,

Guy Resenthaler
