Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Indiana Regional Medical Center Behavioral Health Facility for Fiscal Year 2024.

The intended recipient is the Indiana Regional Medical Center located at 835 Hospital Road, Indiana, Pennsylvania 15701.

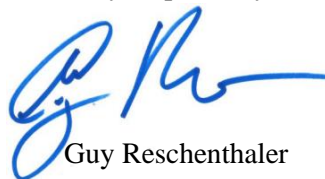

The funding will be used for the construction of a behavioral health facility comprising 44 beds that will care for adolescent, adult, and geriatric patients.

This project is an appropriate use of taxpayer funds because it expands mental health care in the local community, increases inpatient bed capacity, and reduces emergency department wait times.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,

Guy Resenthaler
