Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Indiana University of Pennsylvania School of Osteopathic Medicine for Fiscal Year 2024.

The intended recipient is the Indiana University of Pennsylvania Research Institute, located at 1011 South Drive, Indiana, Pennsylvania 15705.

The funding will be used for the construction and repurposing of facilities relating to the School of Osteopathic Medicine.

This project is an appropriate use of taxpayer funds because it will increase health care access for rural communities.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,

Guy Resenthaler
Member of Congress
