Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Water Storage Tank and Pump Station Construction Project for Fiscal Year 2024.

The intended recipient is the National Pike Water Authority located at 5104 National Pike, Suite 3 PO Box 10, Markleysburg, Pennsylvania 15459.

This Drinking Water SRF project involves the construction of a 500,000-gallon water storage tank and a related pump station near the intersection of Route 40 and Chalk Hill Road, servicing parts of Wharton, Stewart, and Dunbar Townships.

This project is a valuable use of taxpayer dollars because it will rural communities get access to clean, safe, and reliable potable water service and serve approximately 350 residences.

This project has a federal nexus because it is for the purposes authorized in Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,

Guy Resenthaler
