Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the New Stanton Volunteer Fire Department for the Fire Station Construction Project for Fiscal Year 2024.

The intended recipient is the New Stanton Volunteer Fire Department, located at 108 S Main St, New Stanton, Pennsylvania 15672.

The funding will be used for the construction of a new fire station.

This project is an appropriate use of taxpayer funds because it involves the construction of an essential structure that houses fire apparatus and equipment to meet the fire and rescue demands of a rural population.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,

Guy Resenthaler
Member of Congress
