Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Waterline Replacement Project for Fiscal Year 2024.

The intended recipient is the Seven Springs Municipal Authority located at 290 Lagoon Lane, Champion, Pennsylvania 15622.

The Drinking Water SRF project would replace of old, deteriorated water supply pipelines in Somerset County, Pennsylvania. SSMA is currently experiencing frequent water line breaks and significant water losses due to the difficult terrain and weather conditions. Replacing the lines with better materials and installation techniques will provide both environmental and financial benefits to the rural community.

This project is a valuable use of taxpayer dollars because it will provide clean drinking water to residents in Somerset County and help reduce the water loss from the Laurel Hill Creek and Jones Run and Indian Creek watersheds.

This project has a federal nexus because it is for the purposes authorized in Section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,

Guy Resenthaler
