The Honorable Rosa L. DeLauro  
Ranking Member  
House Appropriations Committee  
1036 Longworth House Office Building  
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the 30" Transmission Main Replacement for Fiscal Year 2026. The entity to receive funding for this project is the Municipal Authority of Westmoreland County, located at 124 Park and Pool Road, New Stanton, PA 15672.

The Drinking Water SRF project will replace a section of the main transmission line that is deteriorating. Specifically, the project will install approximately 5,280 feet of 30" ductile iron and PVC pipe. This is a valuable use of taxpayer dollars because the project will support deteriorating infrastructure, ensuring the main transmission line continues to provide clean, reliable drinking water to 225,000 people in the local community.

This project has a federal nexus because it is for the purposes authorized in section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,
