Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Hempfield Township Public Safety Facility for Fiscal Year 2025. The entity to receive funding for this project is the Hempfield Township Supervisors located at 1132 Woodward Drive Greensburg, PA 15601.

The funding will be used to develop an Emergency Operations Center (EOC) addressing critical emergency management deficiencies for a population of over 41,466 residents. This facility will be centrally located within the township and feature advanced technological and operational capacities. This project is a valuable use of taxpayer funds because it will provide emergency management and preparedness capabilities.

This project has a federal nexus because it is for the purposes authorized in section 614 of the Robert T. Stafford Disaster Relief and Emergency Assistance Act (42 U.S.C. 5196c), as amended by section 202 of the Implementing Recommendations of the 9/11 Commission Act of 2007 (9/11 Act).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,

Guy Resenthaler
Member of Congress
