Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the West Greene Waterline Extension for Fiscal Year 2026. The entity to receive funding for this project is the Greene County Board of Commissioners, located at 93 East High Street, Waynesburg, PA 15370.

The Drinking Water SRF project will extend the Southwestern Pennsylvania Water Authority's main water line, approximately 31,000 square feet, to the Jackson Township Municipal Building and ensure that residents and businesses have access to reliable potable water and fire suppression capability. This project also includes 31 fire hydrants, 34 service connections, and 12 (16") gate valves. This is a valuable use of taxpayer dollars because it will provide clean drinking water and fire suppression for rural communities in southwestern Pennsylvania.

This project has a federal nexus because it is for the purposes authorized in section 1452 of the Safe Drinking Water Act, 42 U.S.C. 300j-12.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,
