The Honorable Rosa L. DeLauro

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Windy Ridge Business and Technology Park – Phase 3 Roadway Construction for Fiscal Year 2026. The intended recipient is the County of Indiana, located at 825 Philadelphia Street, Indiana, PA, 15701

The funding will be used to construct a new roadway connecting State Route 286 to State Route 3033, opening 40 additional acres for private-sector investment and job creation. This project is a valuable use of taxpayer funds because it will directly support economic development and future growth in a region that needs it. It also enhances public safety, leverages ongoing PennDOT improvements, and aligns with state and local economic development strategies, ensuring long-term returns through job creation, increased tax revenue, and regional competitiveness.

This project has a federal nexus as authorized in 42 U.S.C. 5035(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,

A handwritten signature in blue ink, appearing to read "Guy Reschenthaler".
