The Honorable Rosa L. DeLauro  
Ranking Member

Dear Chairwoman Granger and Ranking Member DeLauro:

I am requesting funding for the Technology Training Workforce Development Program in Waynesburg, PA, for Fiscal Year 2024.

The intended recipient is Waynesburg University, located at 51 West College Street, Waynesburg, Pennsylvania 15370.

The funding will be used to create a technology training workforce development program focused on creating skills through technology training for multiple student populations, including dual-enrolled high school students, traditional higher education students, and non-traditional students. This program will primarily be delivered online through collaboration of full and part-time faculty who are experts in the field. The flexibility with online delivery will expand the reach of potential students to attract those living in underserved communities, active military, and veteran populations.

This project is an appropriate use of taxpayer funds because it will provide training to meet workforce needs in southwestern Pennsylvania.

This project has a Federal nexus because it is for the purposes authorized in Section 2331 of the Food, Agriculture, Conservation, and Trade Act of 1990, 7 U.S. Code section 950aaa.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,

Guy Resenthaler  
Member of Congress
