The Honorable Rosa L. DeLauro
Ranking Member
House Appropriations Committee
1036 Longworth House Office Building
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Monongahela River Project, for Fiscal Year 2026. The entity to receive funding for this project is the U.S. Army Corps of Engineers, located at 1000 Liberty Ave, Pittsburgh, PA 15222.

The funding will be used for operations and maintenance on Locks and Dams 2, 3, 4, Monongahela River Project, as authorized by Section 101, Water Resources Development Act of 1992 (P.L. 102-580). Specifically, this project will include channel widening, floating mooring bit adjustments, and permanent closure between existing middle walls. This project is a valuable use of taxpayer funds because it will provide over 30 miles of unimpeded navigation on the lower Monongahela River.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,
