The Honorable Rosa L. DeLauro
Ranking Member
House Appropriations Committee

Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the Upper Ohio Navigation Project, Montgomery Lock, for Fiscal Year 2026. The entity to receive funding for this project is the U.S. Army Corps of Engineers, located at 1000 Liberty Ave, Pittsburgh, PA 15222.

The funding will be used to physically complete construction work at the Montgomery Lock and Dam as authorized by the Water Infrastructure Improvements for the Nation (WIIN) Act of 2016 (P.L. 114-322). This project is a valuable use of taxpayer funds because it will recapitalize a structurally deficient lock on the Ohio River in southwestern Pennsylvania.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Very respectfully,
