Dear Chairman Defazio and Ranking Member Graves:

I am requesting funding for the Crawford Avenue Bridge Rehabilitation project in surface transportation reauthorization legislation. The project sponsor for this project is PennDOT Engineering District 12-0 and the project is located at the Crawford Avenue Bridge in Connellsville, Fayette County, Pennsylvania, 15425. The funding is designated for the rehabilitation of the Crawford Avenue Bridge. The project is an appropriate use of taxpayer dollars and will facilitate economic development in downtown and improve safety for non-vehicle traffic.

I certify that neither I nor my immediate family has any financial interest in this project.

Very respectfully,
