Dear Chairman Defazio and Ranking Member Graves:

I am requesting funding for the I-70 and PA 51 Interchange Reconstruction project in surface transportation reauthorization legislation. The project sponsor for this project is PennDOT Engineering District 12-0 and the project is located at the I-70 and PA 51 Interchange in Rostraver Township, Westmoreland County, Pennsylvania, 15012. The funding is designated for the reconstruction of the PA 51 interchange, including the overpass and acceleration/deceleration ramps, located on I-70. The project is an appropriate use of taxpayer dollars and will improve traffic flow, facilitate economic development, and provide safe and efficient access.

I certify that neither I nor my immediate family has any financial interest in this project.

Very respectfully,
