Dear Chairman Defazio and Ranking Member Graves:

I am requesting funding for the Laurel Valley Transportation Improvement Project in surface transportation reauthorization legislation. The project sponsor for this project is PennDOT Engineering District 12-0 and the project is located from SR 130 to the Arnold Palmer Airport in Unity Township, Westmoreland County, Pennsylvania, 15650. The funding is designated to improve 2.5 miles from the PA 2023 and PA 130 intersection in Unity Township. The project is an appropriate use of taxpayer dollars and will enhance regional access, reduce travel times, facilitate economic development, and improve safety for both vehicular and non-vehicular traffic.

I certify that neither I nor my immediate family has any financial interest in this project.

Very respectfully,
