Dear Chairman Defazio and Ranking Member Graves:

I am requesting funding for the Waynesburg Downtown Betterment project in surface transportation reauthorization legislation. The project sponsor for this project is PennDOT Engineering District 12-0 and the project is located at US 19 in Waynesburg Borough & Franklin Township, in Greene County, Pennsylvania, 15370. The funding is designated to ensure a safe and efficient route for all modes of transportation through the Downtown Waynesburg Business District. The project is an appropriate use of taxpayer dollars and will update the business district to facilitate economic development and grow the community, while enhancing the quality of life and improving safety for residents, visitors, and workers.

I certify that neither I nor my immediate family has any financial interest in this project.

Very respectfully,

A handwritten signature in blue ink, appearing to read 'GR', written over a faint circular stamp.
